### Disclaimer

No warranty is made or intended as to the safety or fitness of the roads, streets or bikeways for bicycle travel. These are merely suggestions and require the exercise of caution by an individual. Ohio counties, cities, elected officials, employees, Heights Bicycle Coalition, Bike Shaker as as well as our sponsors disclaim responsibility and shall not be liable in any manner for loss, damage or injury occassioned by bicyclists who travel along the roads, streets and bikeways on this map.

## Bike Fix-it Stations

Cleveland Heights, Heights Library and Case Western Reserve University have in-stalled a number of bike fix-it stations around the Heights area. These bike stands feature securely attached tools and an air pump for in-ride repairs.

Stands can be found on Lee Road in front of the main library, at Coventry and North Park and on Lee Road across from Cain Park. There are several on CWRU’s campus, including outside Kelvin Smith Library and at the base of the elephant steps.

### Find other fix-it stations

Find a searchable map of fixit stations in the US at [Dero.com/product/fixit/](http://Dero.com/product/fixit/)

## About HBC

The Heights Bicycle Coalition’s mission is to educate and encourage Heights community members to use bicycles as a healthy and sustainable form of transportation and recreation.

Formed in 2010, HBC promotes safe & fun riding by hosting rides and providing resources for area cyclists, schools and community groups.

**Everything is closer than you think. Ride there!**
